Jim Miller with big fish: 3.74 lbs

## July tournament, Swan Island July 11, 2009

The launch was at Swan Island and the blastoff was without incident.

Topwater baits worked for several folks early in the morning — and later too — but others could not capitalize. With 8 boats fishing, only 4 could bring home a limit.

The winning team was father/son team Ed and Nick Chin. That means you have to share some of your secrets, Ed, at the August meeting! Actually, Nick outfished Ed, so both anglers will have a report. Their 5 fish bag far eclipsed the field at 11.92 pounds.

At a distant second were Renaud Pelletier and Shon Childers at 7.62 for five fish. Third place was another father/son team, Zip and Tristan Decker. They boated 7.25 pounds of fish.

Big fish was caught by Jim Miller for the second month in a row. His 3.74 pound smallmouth edged Nick Chin's 3.65 pounder for the honors.

## August Club Tournament: Dorena Lake

The August tournament is the annual club two-day affair. By club vote, the location was changed to Dorena Lake because of a lack of camping spaces at Prineville. The draw for the tournament as well as the oh-dark-thirty meeting time will be announced at the August meeting on Aug. 4th. Also, a discussion of fishing format, and possible night tournament will be covered. Please call Mike Creamer or Zip Decker if you intend to fish but cannot make the meeting.
